Cameron Tringale

Press Conference

Q. You got out there kind of early and really steady play out of you?

CAMERON TRINGALE: Thank you. It was fun going with Brandt. He was hot early and saw a bunch of putts going in and followed suit with a few of my own. It was a steady day. The wind was tough. It was kind of swirling in that valley like it does, but I was able to get a birdie at the last.

Q. Was the course a little more manageable today? Were the greens a little bit more receptive?

CAMERON TRINGALE: Not really. I don't know why they would be any softer. The wind's been blowing.

Q. They did put some water on them overnight. I thought maybe they were a little softer.

CAMERON TRINGALE: It was hard to tell. I played late yesterday, so I was a couple hours earlier, so they were appropriate for what I was expecting.

Q. What are you expecting on Sunday?

CAMERON TRINGALE: More of the same. I mean, I'll tee off a bit later tomorrow, which is a good thing. I'll just keep it one swing at a time. It's easy to lose your head out there. If I can just stay focused and stay patient, I'll be all right.
