Webb Simpson

Quick Quotes

Q. (In progress.)

WEBB SIMPSON: They love golf here. I think Canadian golf is in such a great place. So many Canadians in the field. I think, what, 26?

Q. Yep.

WEBB SIMPSON: Great Canadians on the PGA TOUR playing well. I think it's a great time not only for Canadian golf, but this golf tournament. Great names here. Good field.

It's been a while for me to be here, so I'm happy to be back.

Q. Tell us about the round.

WEBB SIMPSON: It's always nice to play a round with no bogeys. Had to save par a few times. It's funny how golf is. I shot 3-under on the first nine but hit it a lot better on the second nine and shot 1-under.

Overall through the bag it was a pretty solid day. Had a great group playing with Rory and Kuch. They played great. Fun day.

Q. How soft was the golf course out there? Was it very attackable?

WEBB SIMPSON: It was soft and attackable, but less soft than I thought it would be.

Greens were still bouncing, and so I think with today's weather and the rest of the week it'll firm out nice.
