## Ariya Jutanugarn

### Quick Quotes

**Q. Talk about this weather conditions out here. It's a little windy, a little cold, but still, you went around in a really good score.**

ARIYA JUTANUGARN: You say a little bit, I say a lot. It's really windy, like so tough today. I feel like a lot of great shots that I still make bogey. It was really tough.

**Q. How good was it to finish with a birdie on 18?**

ARIYA JUTANUGARN: I'm really proud of myself I finally made a putt, because I feel like I missed all the putts today.

**Q. You're still in contention, very close to the lead going into the weekend. Do you have the same game plan for Saturday?**

ARIYA JUTANUGARN: I'm going to see how the weather, how the wind is going to be tomorrow.

**Q. Was it tough out there, unpredictable with the wind? Was the wind hard to judge?**

ARIYA JUTANUGARN: Yeah, it was really hard. Even like the tee shot I had to be really patient and focus on where I want to start the ball, and the second shot is really hard to adjust to the green.
