## Brittany Altomare

### Quick Quotes

**Q. 4-under today on a Sunday.**

BRITTANY ALTOMARE: Yeah.

**Q. What went well out there?**

BRITTANY ALTOMARE: Yeah, I hit the ball really well today. I gave myself a lot of chances, which really helped.

I left a lot just dead center in the middle of the cup which is frustrating, but still feel like I played really well.

**Q. What's this week been like overall just knowing, Solheim Cup kind of on the mind?**

BRITTANY ALTOMARE: Yeah, it's been a little more stressful than normal, but I just knew I had to play well. I felt like I've been doing that all year, so I figured if I just keep doing what I'm doing it'll just take care of itself.

**Q. How relieved do you feel now?**

BRITTANY ALTOMARE: Really relieved. It's like a weight has been lift off my shoulders.

**Q. You played alongside Lexi, future teammate.**

BRITTANY ALTOMARE: Yeah.

**Q. What was that like today? Did you talk Solheim at all?**

BRITTANY ALTOMARE: No, we didn't talk about Solheim. I asked her mostly about her dog. No, we just chatted a little bit, but we were both competing so we didn't chat too much.

**Q. And what are you looking forward to in the coming weeks with Solheim Cup coming up?**

BRITTANY ALTOMARE: Just being part of Team USA and representing the United States. I think it's going be super and, I get to have Juli as my captain which is going to be super fun. I'm excited.
